14th ANNUAL CULINARY APPRENTICESHIP GALA DINNER AT FAIRMONT CHATEAU WHISTLER

On Friday, October 12, 2018, after slicing and dicing under the direction of our top chefs, apprentices from Fairmont Hotels and Resorts in the Pacific Northwest region will strut their cooking stuff at their culinary debut.

The event kicks off at Fairmont Chateau Whistler with a cocktail reception and wine wall. This year's theme, World Class Wild, will showcase the incredible ingredients of our region – game bird, shellfish, foraged, fish, meat, and sweet. In keeping with the theme, each hotel will be tasked with creating a dish inspired by their designated ingredient and complemented by their home hotel's "personality", be it Trendsetter or Historian and everything in between. Each course will then be paired with wine.

Proceeds from this evening's event will help to fund a culinary scholarship.
